- Gallipot 20-120ml Natural

INNOVATION

Improved stability.

Innovative square and rectangular shapes give our dishes more stability on the instrument table and provide extra structure and stability to our Procedure Packs when stored.

Mobility.

A wheeled stand designed to fit the largest dish is available, for easier movement.

Second life.

CubeWare™ dishes are 100% recyclable. We're just as innovative in the materials we use, as we are in making sure our products can be recycled.
